When You Want to Know:

—where a person lives.

—what his occupation is.

—who lives at a certain number on a street.

—where a street is located.

—the correct spelling of a name.

—the officers of a corporation.

—the partners in a firm.

—the solution to any of scores of problems that pop up unexpectedly to annoy and baffle you.

—*you can quickly find the answer in the City Directory.*

Out of Sight--Out of Mind
☆ Out of Business ☆

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

☆

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

What this symbol means to you

Accuracy

Publishing production supervised by trained, experienced, professional Directory specialists.

Quality

A tradition of pride in producing the best publication possible, always with a view to improvement.

Standardization

Cooperation of publishers toward a uniformity of contents, features and arrangement of departments, making for a maximum of convenience and service to the user, with a watchful eye kept on the changing times and public needs, and with a continual exchange of ideas.

Dependability

A trade-mark representing a reputation for reliability and responsibility established prior to the turn of the century, and maintained throughout the years.
